School Photos: School Photo Proofs and Id Cards have been distributed to all students. If your child loses their Student Id Card, you can order a replacement card directly off the website (www.studionanc.com) . You can also download a digital version free of charge. If your child did not present themself to have their photos done on the initial day OR on the retake day, a new schedule will be posted soon for required photos for ID cards. As these pictures will be done internally, there is no option to order these. It will be strictly used for the ID card. Please keep in mind that the ID cards are necessary to borrow equipment from the Library.

Grad Photos: The Grad Photos will be available starting the week of November 9th. There will be an email sent out to students and parents explaining how to order your photos.

NEWS FROM THE LIBRARY: The Library Catalog is now available online!

Halloween was a huge success in the library this year! With the help of some highly motivated students, we transformed our space into “The Backrooms” for the day. On Friday, Oct. 30, students were invited to “glitch” into the library and enter a draw for a participation prize.

The turnout was fantastic: 96 students officially entered the contest, and easily double that number visited the library during the morning recess alone. Because of the incredible response, we naturally had to offer more participation prizes than usual. Congratulations to our three lucky winners!

The library was bustling throughout October, and we have even greater plans for November. This month, we are launching a movie and book review contest. Students can fill out a review form to be entered into a draw to win tickets to La Maison du Cinéma for a movie of their choice. This contest is made possible thanks to the generosity of Operation Backpack, who kindly donated the tickets. They have also been donating yarn for an upcoming library project—stay tuned for more details!

Finally, with the cold weather slowly settling in, we will be switching our lunchtime refreshments at “Judith’s Bistro” from flavoured water to herbal teas. This comforting addition is thanks to the wonderful generosity of the IOOF Unity Lodge #8.
