

## Introduction of myself

My name is Karen Ibarra and I am writing to tell you a little about myself. I am from Monterrey in Mexico. It's quite a big city. I have a big sister who is 19 years old named Blanca.

I decided to come to Canada to increase my French skills, to have new and fun experiences, and also to meet new people. I also heard that the boys were really cute at this school... just kidding!

My favorite subjects are History and Biology. I love to dance and to bake cakes. My favorite foods are spaghetti and BBQ but I also love sushi.

I have been able to improve my English skills and to learn some more French. I haven't been in this school yet but I am sure this is going to be very fun and I am going to meet a lot of new people too. This is a wonderful place and I would definitely recommend it to anyone. I hope everything goes fine.

Sincerely,

*Karen Ibarra*
