

Introduction of myself

Hi, everyone. I am Tianshu (Vida) Li and I am writing to tell you a little bit about myself. I was born in Rizhao, a city located in ShanDong, east of China. There's a big peninsula where many people come to visit every year and my parents chose the name from a poetry. My I came here at 23 August. Like many Chinese teenagers, I don't have brothers or sisters, I'm an only child. My favorite food in China is Kung Pow Chicken, in Canada it is pizza. My favorite past time is having a party with my frends. :)~~ My favorite subject is Engilsh, it is interesting,although there has many new words for me, that is okay. And music, I perfer Pop, and my favorite song is "Ju hua tai" , it is a Chinese song, the lyrics are really good ! About my caerre plan, I like business, and I'm going to choose it when I go to the university. I real interested in it.

Thank you

Tianshu
