

# SES January News...

A Happy New Year to everyone in the SES community. Best wishes from all of us here at SES for health, happiness and prosperity. Please note the following pieces of information as our school year speeds ahead.

Registration for 2012 - 2013: As indicated in the December newsletter, registration for the upcoming school year will take place February 13 - 24. Please spread the word and encourage families to contact the school as soon as possible. We would like to welcome as many families as possible into our school community & knowing our numbers early permits better organization of services. If you have questions regarding admissibility to English education, you may contact Mrs. Dohler at SES or Angela Chrétien at the ETSB Board Office, 819-868-3120.

Health: Please remember that in the best interest of health for everyone, sick students and staff should stay home. Please remember as well that all of our recess and noon hour supervision is provided outside. We are not able to supervise children individually and all students who come to school are required to go outside for recess and lunch time. If your child is too ill to go outside, he or she will need to stay home.

Carnival Day: PPO is again hard at work organizing our annual winter carnival scheduled to take place on February 3<sup>rd</sup>. This is but one activity we enjoy thanks to the hard work of PPO as well as the support from you and our community. PPO's most recent fundraiser, 'Humeur' products, raised a total profit of \$2513.35. Thank you to everyone who supported this, and all of our PPO fundraising activities.

Staffing Changes: On behalf of everyone at SES, I wish Ms. "C" (Christodouloupoulos) a safe, relaxing and memorable sabbatical as she leaves us January 16<sup>th</sup> for the balance of the year. We shall miss her, and look forward to Mrs. "C's" return to the office in August. During her absence, I am pleased to announce that Mrs. Banks will be replacing Mrs. "C" as Vice-Principal for the balance of the school year. Mrs. Banks' replacement in the classroom will be announced to her students and families as soon as possible. I wish Mrs. Banks great success in this new leadership experience.

The approaching end of January will also see the return of Ms. Gaudet to her Grade 5 class. It will be a pleasure to have Ms. Gaudet back and I wish her a warm welcome. With this return, we sadly say 'good-bye for now' to Mrs. Struthers who has replaced Ms. Gaudet for the first half of the year. We thank you for all of your hard work and wish you much enjoyment with your family for the balance of the year.

**\*Please note that the daycare is also closed when we are required to close the school.**

Please ensure your child is aware of what he/she is expected to do in the event that we are required to close school early. Please remember that you completed a form pertaining to these procedures earlier in the year and the school will follow this should a situation require us to send students home earlier than the regular dismissal time.
