

# S.E.S. July News...

Correction & Update to Staffing Information: Please note that there was an error in the staffing information provided in the last newsletter. Ms. Thomas will be replacing Ms. Neville in Cycle 2 until Christmas, not Ms. Gillam in Cycle 1 as previously indicated.

Also, I am pleased to confirm that Ms. Christodouloupoulos ("Mrs. C") will be the Vice-Principal again next year. Mrs. "C" was replacing Mme. Gaudet this past year while she was on maternity leave. As indicated in the last newsletter, Mme. Gaudet has decided to return to teaching and Mrs. "C" has been officially appointed as Vice-Principal.

Ms. Struthers will be teaching the Grade 5 FLA position that was previously shown as TBA.

I hope to be in a position to confirm the remaining assignments (5/6; replacement for Ms. Gillam and replacement for Ms. Eryou in the near future).

More Sports Program: I am happy to confirm that the More Sports program will run for 60 minutes again at Grade 5 next year, and for 60 minutes at Grade 6. There are some spaces remaining in both groups and if you have not yet registered your child, there is still an opportunity. Please mail in your registration form with the required payment as soon as possible. The remaining spots will be filled on a 'first come-first served' basis, and a waiting list will be created once all spots are full.

Change of Address: A reminder that if you have moved, or will move, over the summer, please send a change of address to the school as quickly as possible. We cannot guarantee transportation should we not receive sufficient notice of any change of address.

Kindergarten & Other New Registrations: If you know of any families wishing to register students with us at Sherbrooke Elementary, please have them communicate with the office as soon as possible (819-562-3515). Additional Kindergarten students might result in a fourth Kindergarten and it is essential that we know our final operating numbers in order to provide the best services possible.

Thank you and I hope that you are well on your way to enjoying a wonderful summer!

P. McCourt  
Principal
