

## REVISED More Sports 6 Program Application 2010 - 2011

June 21, 2010

Dear Parents/Guardians of next year's Grade 6 Students,

Unfortunately there were not sufficient registrations to support running the program for 120 minutes/week. **However, we would like to give students another opportunity to register for a More Sports Program that would run 60 minutes per week.** As explained previously, while the content of the program will remain similar to this year, we have organized such that the program will run the full length of the school year. This is a self-financed program and students opting for this program will be required to pay the fees to run the program. Students choosing this program would receive 60 minutes of additional Sports each week at a cost of \$155/year (includes T-shirt & shorts). This will occur during class time. Students in the More Sports Program are expected to keep up with their class work and it will be their responsibility to complete all work required during the time they are out for More Sports. *Teachers are asked not to introduce new concepts during More Sports periods.* Should we identify that a student's academic success is compromised by their participation in the More Sports program, we will intervene and return the child to his/her regular classes until such time that it is agreed he/she is able to return to managing both. Should we determine that a child's behaviour compromises the success or safety of the group, the child will be removed from the More Sports program. Please note that once registered, there will be no reimbursement of fees for the program.

In order to help schedule and plan for next year, please complete the form on the reverse of this letter if you wish to register your child in the More Sports program. Please take careful note of the required fees and deadlines. Groups will be capped at 29 (maximum class size by government norms). Due to the self-financed nature of the program, we will need sufficient registration to run the program. Should numbers not merit running the program, then all fees paid would be reimbursed. As we will need to commit to hiring additional staff to run the program for the year (Mr. Faucher will teach More Sports and another teacher will pick up part of his regular assignment), commitment to registration is required by **June 23**,

**2010.** Please submit the required down-payment with the registration form, in a sealed envelope clearly identifying your child's name and "More Sports Program" on the outside of the envelope. This is to be handed in to the office.

If you would like more information about the program, please contact Mr. Glen Faucher.

Thank you.

P. McCourt  
Principal

---

I have read the above information pertaining to the More Sports Program 2010 - 2011 and wish to register my child, \_\_\_\_\_.

My child will be in *Grade 6* during the 2010 - 2011 school year and I have enclosed:

- Full Payment in the amount of \$155.
- A down payment in the amount of \$90, with the remaining \$65 payable by September 10, 2010.

I have read the rules of the program and am aware that these fees are not reimbursable under any reason other than if the school should decide not to run the program.
