Alyson helped lead the junior girls basketball team to a 4-2 record in the RSEQ AA cadet league

Stone and Stone named Piper Athletes of the Month

Submitted by Robert Fisk

Alyson Stone and Jarod Stone have been named the Piper athletes of the month for December.

Alyson helped lead the junior girls basketball team to a 4-2 record in the RSEQ AA cadet league. In six games the Stanstead resident averaged 18 points and 10 assists to help lift her team to second place in their conference. Alyson plays a huge leadership role on the court as the teams point guard bringing the ball up the court. The grade 9 student has been part of the sports concentration program at Galt for three years where she has really improved her basketball skills.

Alyson's brother Jarod plays on the senior boys basketball team. He has helped lead the undersized Pipers to fourth place in the tough RSEQ AA league. Jarod averaged 16 points and 12 rebounds in 9 games. The grade 11 student plays the post position and is often undersized when facing his opponents, but he uses his speed and willingness to battle to make up for it at both ends of the court. The sixteen year old has been part of the ever-popular sports concentration at Galt for five years where he has perfected his skills. The multi sport athlete (football/basketball) will have to make a choice as he moves onto CEGEP next year.

MAKING A DIFFERENCE...

DEAR EDITOR:

On behalf of Alexander Galt Regional High School and all Christmas basket recipients, I wish to thank all our donors and collaborators for their kind donation. This caring support of our Christmas basket campaign has enabled us to continue our mission in assisting those in need among the Galt community, therefore making a great difference in their lives.

Our collaborators have played a huge role in making this campaign a success over the years. Our local newspaper, the Record, has been our faithful partner since 1999. As well, the Lennoxville Provigo and its staff, who in the past have always facilitated the ordering of food supplies, have this year graciously become Santa's elves for the day!!!

Over the years, I have always enjoyed spreading the Christmas spirit and even get a few hugs in return, hugs that I would like to share with you, our donors!

Thank you again for your compassionate support. Your generous assistance makes it possible for our GALT families to have a brighter Christmas holiday!

WITH WARM REGARDS,
KRISTAL MAGUIRE
SPIRITUAL LIFE ANIMATOR AT AGRHS

Andy Porter is currently taking Health Science at Champlain College in Lennoxville and spends a lot of his spare time curling.

Kassandra Naylor is attending Champlain College this year and is in the Science program. She is also an entrepreneur and has her own window cleaning business.

Grant Kirby is currently in his last year of high school at Alexander Galt he made the honour roll first term and is currently trying to get the best grades and plan a future for himself.

Millenium baby Gregory Cheal is no stranger to The Record. Just last week he participated in the Junior Provincial Curling Championships in Lennoxville. Though only 17, Cheal and his teammates competed in a higher age category. The young team ended the tournament winning two matches and losing five, but they gained valuable experience playing with some of the best young curlers in the province.

Bryer Smith from Ayer's Cliff is currently studying in Sales at Voc Ed in Lennoxville and he also plays Piper Sr. Hockey.

Matthew and Michael are in their last year at Galt. They are excited about the upcoming class trip to Europe. They are also very interested in computer building. The tech savvy twins built two computers at home, according to mom.
