

New security measures for *Mozaïk-Registration* and *Mozaïk-Portal* for parents as of September 6, 2017

On September 6, new measures came into effect to enhance security and protect the privacy of school information in the Mozaïk-Portal for parents and Mozaïk-Registration systems. When you log in, you will be asked to confirm the identity of the child(ren) associated with your account in order to authorize access. You must therefore be prepared to answer a few questions:

1. the name of the school board – Eastern Townships School Board

The screenshot shows a web form titled "School board". At the top, there is a dropdown menu labeled "Select a school board". Below this is a search bar with the text "Search...". A list of school boards is displayed below the search bar, including "CS du Lac-Témiscamingue", "CS du Littoral", "CS du Pays-des-Bleuets", "CS du Val-des-Cerfs", "CS Eastern Shores", and "CS Eastern Townships". The "CS Eastern Townships" option is highlighted with a red circle. At the bottom of the list, there are two buttons: "Previous" and "Next".

2. Your child's first and last names: Be sure to enter **your child's complete first and last name as it appears on his or her school records**. Do not use nicknames or shortened versions.
3. Your child's student number or permanent code: You can find this information on official school documents such as a previous report card, timetable, student ID card, school board issued electronic device. The student number is composed of 7 digits and the permanent code has 12 characters (the first 3 letters of the child's last name and the first letter of the first name, followed by 8 numbers).

My Mozaik account

 Is your Mozaik account email ([redacted]@gmail.com) the one the school uses to communicate with you?
If this is not the case, you must first contact the school to have it replaced.
