

## Security measures for *Mozaïk-Registration* and *Mozaïk-Portal for parents*.

To enhance security and protect the privacy of school information in the Mozaïk-Portal for parents and Mozaïk-Registration systems, when you log in, you will be asked to confirm the identity of the child(ren) associated with your account in order to authorize access. You must therefore be prepared to answer a few questions:

1. the name of the school board – Eastern Townships School Board

The image shows a web form titled "School board". At the top, there is a dropdown menu with the text "Select a school board" and a downward arrow. Below this is a search field with the placeholder text "Search...". Underneath the search field is a list of school board names: "CS du Lac-Témiscaouingue", "CS du Littoral", "CS du Pays-des-Sevets", "CS du Val-des-Cerfs", "CS Eastern Shores", and "CS Eastern Townships". The "CS Eastern Townships" option is highlighted with a grey background. At the bottom of the form, there are two buttons: "Previous" with a left-pointing arrow and "Next" with a right-pointing arrow.

2. Your child's first and last names: Be sure to enter **your child's complete first and last name as it appears on his or her school records**. Do not use nicknames or shortened versions.
3. Your child's student number or permanent code: You can find this information on official school documents such as a previous report card, timetable, student ID card, school board issued electronic device. The student number is composed of 7 digits and the permanent code has 12 characters (the first 3 letters of the child's last name and the first letter of the first name, followed by 8 numbers).
