### Glossary

<b>Virtual Class</b>	Learning in a digital environment, online.
<b>Synchronous</b>	Students learning online at the scheduled time with teacher direction.
<b>Asynchronous</b>	Students learning off screen, on their own at their own pace, to complete tasks and assignments.
<b>Blended Learning</b>	The combination of active engaged learning online and active engaged learning offline with the goal of giving students more control over the time, place, pace, and path of their learning.
