

# CENTRAL STUDENTS' ADVISORY COMMITTEE

Did you know that a unique group of students hailing from all 3 high schools of the Eastern Townships School Board take part in the Central Students' Advisory Committee?

Their mission is to represent the student body, voice interests, discuss what matters to their peers and facilitate communication between the schools (Alexander Galt, Massey-Vanier & Richmond Regional), the school board, the Council of Commissioners and the community at large. Welcome to the CSAC!
