

## **PUBLIC QUESTION PERIODS**

### **Periods provided in the Agenda**

For each Board meeting, there is two (2) public speaking periods scheduled in the agenda in order to allow those present to ask questions to the Council.

### **Duration**

The duration for each question period is 20 minutes.

### **Identification**

Anyone who wishes to intervene must identify themselves, communicate the purpose of their intervention and, where appropriate, submit their documents. The Chair will recognize those who request the floor.

### **Proceedings**

A person who is authorized to speak by the Chair must rise, identify themselves and indicate, if applicable, the organization or association that they represent. The person speaking must always address the Chair and may not at any time address another Board member or another person. Questions should be brief and clearly stated. The Chair may at any time, if he considers it advisable, limit the duration of an intervention.

No member of the Council of Commissioners shall address the person asking a question directly unless authorized to do so by the Chair.

### **Follow-up**

The Chair may provide an answer to the question, invite the Director General or another person to do so. If no immediate answer can be given, the question is noted and the information will be transmitted as soon as possible.
