

The **Eastern Townships School Board** is seeking candidates  
for the following

**CERTIFIED MAINTENANCE WORKMAN  
Based in Magog**

**NATURE OF WORK**

The principal and customary work of an employee in performing maintenance, repair and renovation work falling under several building trades.

**CHARACTERISTIC FUNCTIONS**

The employee in this class of employment ordinarily carries out his or her activities in places where it would be neither practical nor necessary to continuously call upon qualified workmen.

He or she performs general maintenance work, such as repairing or renovating buildings, sanitary installations and simple mechanical installations. He or she may also carry out the preventive maintenance of equipment.

On occasion, he or she may be required to coordinate the work of less experienced or nonspecialized workmen.

If need be, he or she performs any other related duties.

**REQUIRED QUALIFICATIONS**

**Schooling or qualification certificate and experience**

Hold a Diploma of Vocational Studies in a pertinent building specialty for the class of employment or a diploma or an attestation of studies recognized as equivalent by the competent authority, and have eight (8) years of pertinent experience.

or  
Hold an equivalent valid qualification certificate for the class of employment issued by a recognized body and have four (4) years of pertinent experience. In the case where the qualification certificate requires less than four (4) apprenticeship periods, he or she must also have one (1) year of pertinent experience to compensate for each missing period.

**QUALIFICATIONS REQUIRED**

- Good troubleshooting skills, in particular with regards to electrical installations, heating and cooling
- Versatile and knowledgeable in various building trades (carpentry, mechanics, plumbing, water heating systems, etc. In the selection process, you may be tested in these areas.)
- Experience and proficient skills in welding
- Able to work at heights
- Able to work physically
- Hold a valid driver's license
- Must be able to work in French and English
- Basic computer skills
- Good interpersonal skills

The selection process for this position may include an interview and tests related to the functions and requirements.
