Academic Medals, Awards & Trophies

Peter Crosman Memorial Award for Participation

Presented to a deserving student in memory of Alexander Galt alumnus, Peter Crosman (1972 – 1990) who exemplified on a daily basis what will forever remain the most significant attribute of any Drama student. . . the spirit of participation. In the face of health and learning challenges, Peter's contribution in class and on stage remains unequalled to this day. His positive outlook and sense of humor were simply contagious. In its purity, Peter's desire to become "involved" in his school was charming to teachers and fellow students alike. On his last day as a Galt student, in what easily could have been a scene from a movie, Peter was carried from this very auditorium on the shoulders of his peers. May Peter's spirit, and that of participation, forever be a part of his alma mater.
